

ENERGY CODES TRAINING

New Energy Codes to Take Effect in 2010

**Be a resource to
your municipality:
Help pass the Stretch
code and become a
Green Community**

Residential and Commercial Trainings Available

Who should attend: Energy committee members, concerned citizens, selectmen/planning board, building inspectors, builders, architects

Trainings at locations across Massachusetts including Newton, Lowell, Danvers, Brockton, Cape, Westborough & Pioneer Valley

- Review statewide code changes and optional Stretch Code
- Through case studies, understand how typical projects can comply with the new base code or the Stretch code

See a calendar of class locations and dates, and register online at:
